Philips Pocket Memo meeting recorder
DPM8900

Green specification
Compliant to 2002/95/EC (RoHS)
Lead-free soldered product

Operation conditions
Operating temperature: –25°–85° C/-13–185 F
Storage temperature: –40°–85° C/-40–185 F

Specifications
Product dimensions: 24 mm × 32 mm × 2.1
mm/0.9" × 1.3" × 0.1"

Highlights

High speed transfer
The Philips SDHC memory card supports the
speed class rating 4, which offers transfer
rates of up to 4 MB per second for quick and
easy download and file transfer.

Outstanding reliability
The Philips SDHC memory card was built
for dictation environments and meets
highest quality standards. It offers reliability
and performance in Philips Pocket Memo
dictation recorders and desktop dictation
systems.

Secure
The Philips SDHC memory card is compliant
with the SD Card Association specifications.
The built-in write protection switch prevents
accidental loss of data.
